

LOGGING INTO MASTERMIND.COM

LET'S DIVE IN!

1

If you do not have a mastermind.com account, go to → yourmmtrial.com to activate your free trial and get started!

If you have an existing mastermind.com account already setup... Congratulations!! We have automatically added 6-months to your account (Please note: In order for this to have taken affect, your Project Next Level and mastermind.com login emails must match exactly). Navigate to our website by going to mastermind.com.

2

First, go to the mastermind website.
Click **“Login”** to access the login page.

3

Type in your **“Email”** and **“Password”** then click **“Sign In”**. If you don't remember your password, type-in your email address, then click **“Forgot your Password”** to receive a password reset link to your inbox.

4

Now, this is your **Dashboard**. Your quick access tabs are available on the left-hand-side. All of the masterminds you create will be shown under **“My Created Products”**. Masterminds you purchased or you were gifted will be under **“My Owned Products”**.

For more assistance on how to operate mastermind.com, check out this helpful step-by-step resource → MMArticles.com
